

Since the year 2000, the most sought after Junior Golf Camp in the Greater Toronto Area has been the Cardinal Junior Golf Camp. The camp takes place at the Cardinal Golf Club, just minutes from Newmarket at Highway 400 and Highway 9. The outstanding facilities available at the Cardinal Golf Club along with qualified instruction and distinct programming, offer your child an environment conducive to learning and having fun.

THE FACILITY

The Cardinal Driving Range enhances the junior campers experience with 6 laser-measured greens, a greenside bunker, fairway bunker, 2 practice greens and 2 private tee decks. The Air Conditioned Cardinal Clubhouse is a short stroll from the driving range and will host the nutritious lunches that are served in the West lounge overlooking Cardinal's West Course. Kettle Creek Golf Club is our exceptional, bent grass 18-hole "short course" that is 2590 yards long with a par of 58. The front nine will test the campers accuracy as they wind their way through the towering pines while the back nine will let them unleash some of their new found power while only dealing with hazards such as our "pillow" soft bunkers and meandering creek.

INSTRUCTORS

Jody Boutin, Cardinal's Head Teaching Professional and two-time "Junior Teacher of the Year" nominee, takes great pride in sharing some of

the latest instructional methods with the campers. Inspired by Chuck Hogan's work "Golf & The Intelligence of Play", Jody has developed a program that accelerates the participants learning and enjoyment.

The supporting teaching staff is CPGA certified and trained onsite by Jody Boutin to ensure consistent communication.

COUNSELLORS

The counsellors have one of the most important jobs of the whole camp and as a result we have chosen the "cream of the crop" for our camps. The constant supervision our counsellors provide insures that the campers are safe and having fun.

PROGRAM

Campers will participate in several stations throughout the week, including, Full Swing, Putting, Chipping, Shot Shaping, Bunker Play, Pitching, and the Rules & Etiquette. These topics are covered on a 45-minute rotating basis throughout the week. A 6:1 ratio, the finest creative training "toys", games and contests are used to encourage proper skill acquisition and with the use of the ASTAR Video Capture System, the campers' natural ability to learn through mimicry is utilized. The skills learned at each of the stations can then be applied on the golf course, as each camper will have the opportunity to play golf at Kettle Creek Golf Club every afternoon.

TINY TOTS CAMP

Do you have a 5-7 year old eager to jump in the car with you every time you head off to the golf course? If so, we have exactly what you need. Our Tiny Tots camp introduces children to the game of golf in a non-threatening environment that encourages them to discover how much fun golf is. A frozen treat is provided daily.
